

# Spring Term in Class 5

## Into the Abyss

Spring term brings the exciting topic of Earth and Space. We will begin our term with some astronaut training to make sure you are prepared for the challenges this term! During this topic, we will discover answers to all of our questions about outer space and the many wonders that it holds.

Our **P.E day is Wednesday!** You'll come to school dressed in your P.E kit on a Wednesday so that we can enjoy more of our P.E lesson without needing to get changed at school.

## P.E in Spring Term

We will be doing **Dance, Football** and **Netball** over this next term. Depending on the weather, this may be inside or outside, so please come in outdoor kit so you are prepared for whatever the weather may bring!

### Outdoor P.E.

- **White P.E. shirt (no logos)**
- **Black shorts (no logos)**
- **Black tracksuit for cold weather**
- **Trainers**

## Reading

In Class 5, we aim to read 15 minutes a day, 5 times a week at home (75 minutes in total). Those that read this amount have the chance to win the Reading Raffle! We draw the raffle every Friday – I wonder who will be next?

We're also ready to begin our next class reader – Frostheart!

## Homework

In Spring term we will continue to aim high with our Times Table Rockstar and Spelling Shed homework.

At least 5 games **twice a week** this half term.

**Will you be next to receive a certificate or get onto the leaderboard?**

**We will also be introducing new writing homework where you can show off your creative ideas!**

## Our Timetable
